

Person County Children are a Wise Investment!

Approximately 1,400 children in Person County currently receive books from the Dolly Parton Imagination Library. With funding from Person County individuals, local businesses, civic groups, industry, and United Way, this literacy initiative reaches out to all preschool children in Person County to instill a life-long love for reading and learning. In order to assure that this valuable program continues to bring the joy of reading to children, please consider making a donation to the Person County Partnership for Children.

For \$30.00 a year, your tax deductible donation will fund one book a month for a pre-school aged child in Person County.

Name: _____

Address: _____

Phone: _____

I would like to sponsor _____ children at \$30.00 each, for a total donation of _____.

(Number of children)
